It's a note from the principal ...

Dear Werner Community,

The start of the school year has gone well! Our students and teachers are working hard to build routines and relationships. Even though we are starting the school year different than we expected, we are excited to be back together and working with children. As we begin this school year remotely, here are some things I want you to remind you of:

- We will start slow with this and will build up over time to best support your family and our staff. We know that remote learning was an adjustment last spring for everyone and we want to ensure success over time.

Note From The Principal

continued

- This is a process. Even though we learned a lot about what works last spring, our staff are working with brand new students and they will need time to find the "rhythm" of teaching and learning with their students after these first few weeks. Expect the first weeks to be about building community and routines. The schedule will likely adjust with time as well, but you can still expect daily lessons to support your child M-Th, with independent work for Friday's.
- Expect mistakes. Our best efforts are dependent on technology right now, so we all need to be flexible.
- We will monitor and adjust to needs. Please keep in contact with your child's teacher about what is working and what is not.
- Please show grace to your teachers. They are working hard to provide a quality experience in a world that we all are getting accustomed to. Just know that our teachers will show the same grace and flexibility to you as families as well.

Thanks for your continued support of our great school and community. We know this partnership, of school and family, is vital in helping prepare your child for success. We hope you have a great weekend and we look forward to seeing you soon!

Best,

Hayden Camp

New Staff for 2020-21

Name: Traci Henninger

Position: Office Manager

Experience in education: Worked as building secretary in Gunnison School District for approx. 5 years (1998-2000/2006-2009)

What you are looking forward to: Getting to know everyone here at Werner

Hobbies: Gardening, anything crafty, baking, hanging with my family

Favorite quote: "Control what you can control, accept what you can't" and "Tie a balloon to it and let it go" (from my husband)

Traci Henninger

Caity Sahimi

Name: Caity Sahimi

Position: Assistant Principal, GT Teacher

Education: BS Liberal Studies, Cal Poly San Luis Obispo, MA Curriculum and Instruction, Chapman University, MA Gifted Education, UNC

Experience in education: 4 years – 4th, 5th, 6th grade teacher, 6 years – Media Specialist, Gifted Coordinator, 7 years – PSD Gifted Coordinator

What you are looking forward to: Getting to know the staff and students at Werner!

Hobbies: travel, spending time with family

Favorite quote: "Success is not final, failure is not fatal: It is the courage to continue that counts." Winston Churchill

kw KELLERWILLIAMS, REALTY
NORTHERN COLORADO

New Staff for 2020-21

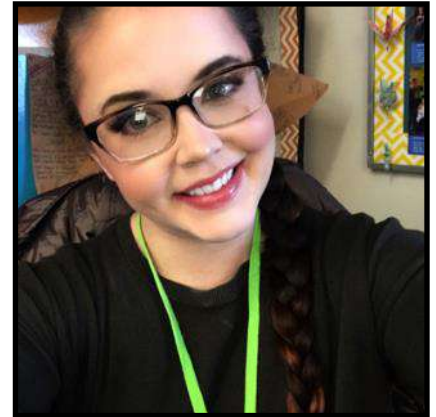

continued

Name: Hannah (pronounced Hawna)
Harmes

Grade: 5th Grade

Education: Bachelor of Arts in Elementary
Education from the University of Northern
Colorado

Experience: This will be my fourth year
teaching 5th Grade.

Hannah Harmes

I am looking forward to growing as an educator using remote teaching. While we ended the school year from home last year, starting the school year remotely is new. I look forward to learning new technology as we go.

Hobbies: Spending time in the mountains is where you will find me spending my weekends. My parents have a small place in Crystal Lakes where I love to hike and fish with my family. Recently, I have been teaching myself, with the help of YouTube, to turn wood on the lathe and enjoy painting ceramic tiles.

Favorite quote:

"What we become depends on what we read after all of the professors have finished with us. The greatest university of all is a collection of books."
-Thomas Carlyle

"Use your fear... it can take you to a place where you store your courage." –
Amelia Earhart

New Staff for 2020-21

continued

Name: Debbie Powers (Officially it's Deborah. You can call me either)

Position: Media Specialist

Education: I got my bachelor's degree from Boston College with a double major in Elementary and Special Education. I also completed my masters from Boise State (online) in Educational Technology 5 years ago.

Debbie Powers

Experience in education: I started my teaching career teaching second grade in a very small school in NJ right after I graduated. I worked almost 5 years until I had my first child. I took about 10 years off to raise both my boys. During those years I moved from NJ to Colorado. I began my teaching career here as a sub and got back into the classroom in 2003 when I was hired at Bauder to be a part time IS teacher. I did that for a year and then moved into first grade, and a few years later I moved into second. I moved to the district's Educational Technology Team, and worked there for 3 years. The last 2 years have been split between Dunn, Riffenburgh, and Beattie teaching technology to students and providing PD for teachers.

What you are looking forward to: I am very much looking forward to being in one building getting to know the staff and all the students. It was very hard not feeling super connected to students and not knowing all their names. I was just too hard with over 1000 kids. I look forward to having one home and setting roots here.

Hobbies: I love to walk! It could be the neighborhood, a mountain trail, or a beach somewhere. The beaches in Tofino, BC are my new favorites. Traveling to new places to explore and experience the food is also high on my list of to-do's. Sleeping in on the weekends and reading a good book on the patio never fail to please either. Historical fiction is my current favorite genre.

Favorite quote: I must admit I had to find a favorite quote. I looked for something to do with the importance of creativity and curiosity. I know that doesn't sound very techy, but I think they go hand in hand, and without curiosity the desire to learn is limited. I found a few I really liked.

"Somewhere, something incredible is waiting to be known." Carl Sagan

"Creativity is contagious. Pass it on." Albert Einstein

"You can't just give someone a creativity injection. You have to create an environment for curiosity and a way to encourage people and get the best out of them." Sir Ken Robinson

**September
2020**

Counseling Corner

Welcome back! For those who do not know me, I am the School Counselor at Werner. My name is Julie Flemister and this is 6th year at Werner and my 19th year in the district. Yes, I started when I was 10 – I wish! I am fortunate to teach in the classroom every other week when we are in person on many different social skills, including but not limited to, getting along skills, conflict resolution, how to calm ourselves if we are feeling nervous or anxious, and Acts of Kindness. I am working with teachers to get mini lessons out for each grade level that you can view from home. I know this is not the way any of us wanted to start our school year, but please know I am still here to talk and listen if you need me. I also have many resources on my Learning Page at <https://sites.google.com/psdschools.org/wer-learning-counselor-flemist/home>. If you don't see what you need, please do not hesitate to email at jflemist@psdschools.org.

If you think your child would benefit talking to me about any social problems, please email me. I check in with kids often and we can set up a time and day easily. I have a couple of sites for parents (also on my Learning Page) that offer helpful tips and tools for virtual learning and social challenges you might see at home.

My Counseling website is:

<https://padlet.com/jflemist/l7fdazga2vhv>

This site has resources on:

- PSD Elementary Counseling Resources <https://sites.google.com/psdschools.org/psd-elementary-counseling/home>
- Cyber Bullying Tips to keep students safe
- How to Create a Calm Down Spot
- Yoga 4 Classrooms - Mandala Calming Tool

Other Resources:

Check out my new blog about parenting and counselorisms - tools for life skills and positive parenting

<http://117551676116791691.weebly.com/>

Check out the Werner calendar at <https://wer.pdschools.org/calendar> for updated information throughout the month as event times and/or dates can change.

Tech Tips

Getting Started Tech Tips

If something isn't working correctly, **try restarting your computer**. It is also a good idea to restart your computer once a week.

Additional tips from the district can be found at:

- <https://www.psdschools.org/Remote-Learning-TechSupport>.
- <https://techportal.psdschools.org/>.
- covidtechhelp@psdschools.org
- call the student/family support line at 970-490-3339.

Debbie Powers - Media Specialist for Werner Elementary - dpowers@psdschools.org

Wifi Issues

My family doesn't have internet access:

- contact the school

I can't see any website:

- Check that you are connected to wifi. Click on the wifi symbol on the bottom right hand corner.

- You should see this at the top of the pop up box. If it is not "connected" that is the problem. You will want to find your wireless device and connect. Once yours is connected, Poudre VPN should connect. If this still does not work, try to disconnect and reconnect.
- If everything is connected try opening a website like www.psdschools.org.

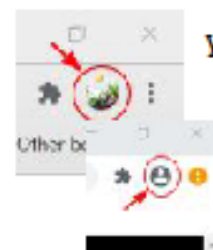

Logging In

On a PSD device: press ctrl + alt (while holding down) press delete

- Your teacher gave you a login card.
- Username goes in the top box. This is the red #.
- Password goes in the bottom box. This is the blue #.

Signing in to Chrome or Adding an Account to Chrome on a Home Device

1. Double click on the Chrome icon on the desktop. 
2. Your child should have logged on at school and done this process on a PSD device so they should see their first initial or picture in the top right corner. If you do you are good to go. Click on that initial or picture and see if you see your child's school email. If this is a personal computer you may see you (the adult's) icon. You will have to add child's PSD account.
3. If you see a gray circle with a person or your initial with "paused" next to it, click on it.
4. Click "**Sync to Chrome**" or "+ Add" if it's your personal account.
5. Follow the prompts for signing in by putting in the student's **PSD Account**. **Their email is also on the login card.**
6. Follow all prompts

Tech Tips

continued

7. ***VERY IMPORTANT*** When you get the pop up box at the top you **MUST CLICK "Link Data"**. This will sync your student's work on their Google Drive to this Chrome account along with any bookmarks they may already have.
 8. Finally, click the **"Yes, I'm in"**.
- (We are planning on having students do this while they are at school on PSD devices.)

Student PSD email

All students have a PSD email account. It is on the log in card. Where do you access PSD email?

1. www.psdschools.org/mail
2. linked on the teacher's Learning Page under Quick Links in the School Links section.

Microsoft Teams for Live Meetings

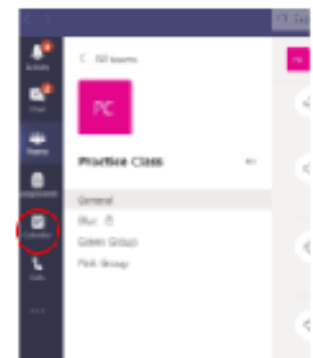

PSD Devices: a Teams app on the desktop

Home Computers: go to teams.microsoft.com

- Best to download the windows app - purple button
- other options - click on "Use the web app instead" under the purple button
- follow prompts but you **MUST sign in with the student's PSD credentials**.

Your teacher will link your Teams Class to the home page of their learning page.

1. Click on that.
2. Try to get used to going to the Calendar icon on the side. Click it.
3. Find your first scheduled meeting for the day.
4. Wait for the join button to appear.
5. When it does, click on it and you will be in. It appears 2 minutes before the class begins.

Microphone or Camera Issues

1. On some devices the **F4 key** is used to mute the built-in microphone. **Lit means muted**.
2. To further troubleshoot the microphone and camera, type **"Silverlight"** in the **Start menu** where it says "Type here to search". **Click on the Microsoft Silverlight icon**. Choose the **Webcam/Mic tab**. You will see if Video and Audio are working properly.
3. **Check the Windows Privacy Settings** by opening the **Start Menu** and clicking on the gear symbol. Choose **'Privacy'** from the options and you will see several sections on the left side. Scroll down on the left side and choose the **'Camera' & 'Microphone'** sections. Under each section, **make sure the 'Allow apps to access your camera/microphone' is switched on**.

Werner Wildcats Home Matrix

	R Respect	O Own My Behavior	A Attitude that is Positive	R Responsibility
Towards Family Members	Use kind words ("Please" and "Thank You!")	Follow expectations from adults the first time!	Work together to get things done!	When you have strong feelings, talk to a family member or trusted adult.
Towards Academic Work	Try your hardest and do your best work!	Try to problem solve on your own and then ask for help from an adult if something does not make sense or work.	Keep trying even when something is hard. Growth Mindset!	Try to do the assigned work from your teacher each day. Read every day!
Towards Peers	Say and write kind words to and about others!	Be mindful of my facial expressions and what I write to others (ex. Chat feature in MS Teams).	Be friendly to everyone!	When online, have an adult present (if possible - in the same room).
Towards My Community	Say kind words to those around you.	Try to stay at home as much as possible.	Be Kind to everyone! We are all in this together.	Stay responsible distance from others when out in public.

How to Help Your Child Adapt to Wearing a Mask

Explain WHY

Use easy-to-understand language and positive phrasing

For example, "Many people are sick right now. Wearing a mask will protect you from germs."

Take a Picture

Ask family members or friends to take pictures of themselves wearing masks.

You can even arrange a virtual get together so everyone can show off their masks.

Practice Makes Perfect

Shape the behavior by breaking it down into smaller steps.

Then practice & reinforce each step

1. Holding the mask
2. Putting it against his or her face
3. Securing the elastic

Let's Pretend

Integrate masks into your favorite pretend play schemes.

Encourage your child to dress up as a doctor, nurse, or veterinarian.

Get Creative

Allow your child to decorate their mask using crayons or markers.

If you are planning to make a DIY cloth mask, allow him/her to pick the fabric color or pattern.

Start with Familiar Clothing

Choose clothing that your child already wears and turn it into a mask.

Some ideas include: a scarf, balaclava or bandana

Stuffed Animals & Dolls Need Masks Too

Put a mask on your child's favorite stuffed animal or doll as a reminder that we are all in this together!
