It's a note from the principal ...

Dear Werner Community,

Things are beginning to feel more normal here at school. While we still following the health and safety protocols, our students have adapted to this new normal and continue to show us how important it is to be back in person at school and the importance of doing our best to keep us open. Thanks for all that you are doing to help support our community with these efforts and keeping everyone safe!

As we turn the corner heading to spring and the last fourth of the year, we are in full swing with planning for next year already. One of the keys for planning for next year is class placement for next year. Each year, we offer the opportunity for parents to share their input about their student's needs. You will see communication coming before spring break about those next steps and how you can formally provide that input. This is not a time to ask for specific teachers but to share more about your student's needs and any information specific to their learning style. You will see that communication come by email and in our Werner Weekly.

Note From The Principal

continued

After spring break, we will be geared up for our BIG Fun Run fundraiser sponsored by the Werner PTA and [Boosterthon](#). Our goal is to raise \$20,000 for Classroom and Program Budgets for the upcoming school year, and other improvements and to strengthen our school community.

Our school has always relied on fundraising to provide exceptional opportunities to enhance student learning. And this year, we have more needs than we've ever had before, which means we need your support more than ever.

We completely understand if your family is not in a position to financially support the school right now. You can still be involved by simply SHARING about our fundraiser with friends and extended family online at [funrun.com](#). Sharing IS supporting!

As you know our school is limiting visitors and non-essential staff, so all communication to students and staff during the fundraising and character development program will be delivered via video instead of in person. We will share more details about how we will do this safely, as well as how we are including our families with PSDV, in future communications.

Thanks, again, for all that you do to support our school!

Sincerely,

Hayden

NORTHERN COLORADO

Werner Cares and Shares is a special tradition where we come together to make meaningful contributions to our community and give our children opportunities to experience the satisfaction of helping others.

In the past we have hosted an evening full of hands-on projects and activities for families to do together. This year, instead, we will focus on one special group within our community each month and make handmade cards to express our gratitude and support.

The project is simple: We encourage you to use any materials you have at home to make a card. Notebook paper, construction paper, markers, tape, glue, scissors, etc. We will also have a stash of extra supplies in a box near Werner's front door that you are welcome to use. When you are done, you can bring your card to Werner (bring them to your class table on distribution days or drop in the box by the front door) and we will collect them and deliver them for you to the group of the month.

For the month of MARCH we will focus on sending well wishes to other children at the Children's Hospital Colorado. Feel free to make one card or a whole stack! Please turn your cards in by Wednesday, March 31.

Some ideas on what to write:

I hope you have a great week

You are on my heart and mind

You are so special

You are loved

I hope you get well soon
