It's a note from the principal ...

Dear Werner Community,

Recently, we celebrated our parents/guardians for all they have done in this challenging year to support students. This year, we have not been able to have volunteers until more recently and on a limited basis. Having strong volunteers is one of the cornerstones of success for our school. We want to thank all our wonderful volunteers that help make Werner successful! Your work and involvement are crucial to our success as a school and heighten the experience your child receives here. A special "Thank You" goes out to our PTA Board (Anjani Rogenski, Chelsea Padgett, Patti Haswell, Nicole Kidd, Juliana Schump, and Tracey Walsh) for all their hard work and dedication to our community during this difficult year. Another big "Thank You" goes to our School Accountability Committee (Martin Carcasson, Kat Johnson, Abby Wilson, Heather Schinkel, Kim Baldini, Monte Peterson, Charlie McNamee, and Traci Henninger) who have worked with me over this last year to help guide and recommend on many decision points for our school.

Note From The Principal

continued

During the week of May 3-7, we will have the opportunity to celebrate our teachers, the ones who work daily to impact the future. In fact, we are celebrating all staff because they work with kids to make a difference. Our PTA Teacher Appreciation Committee will be coordinating special activities to help celebrate our staff. If you get a chance, thank a teacher or staff member for all they do to help make Werner special!

As we head into this last month of the school year, I encourage everyone to "stay the course." This year has been challenging, but your support has meant the world to us and we appreciate all that you have done to help us keep things open so that kids can be in school. As we continue to work on plans for next year, please know that we intend to open in full for next year, but details on many things may not be decided until later July. We anticipate having health/safety protocols that will be similar to what we see now, but are hoping for more flexibility for returning to some normal depending on how things are going. Anticipate a summer update before we end the school year.

Thanks for continued support!

Sincerely,

Hayden

5th Grade Percussion Ensemble

The 5th grade students have been working hard on preparing for their upcoming percussion ensemble concert. Each class will perform in the day during their normal schedule music class. We will try to provide a livestream link for anyone who would like to watch the live performance as well as a link to view the concert at a later time. The performance links will be sent out to families closer to the performance day. Please email Mr. Krueger codyk@pdschools.org with any questions. The performance schedule is below:

- Mrs. Bean's Class – Tuesday, May 18th @ 12:10
- Mrs. Lambert's Class – Wednesday, May 19th @ 12:10
- Mrs. Harmes Class – Thursday, May 20th @ 12:10

Counseling Corner:

It is so hard to believe it is almost the end of the school year. Though this year has been like no other, it has had some successes. Returning in-person has been wonderful and being able to see everyone, has been beyond amazing.

I always like to end the year with Random Acts of Kindness. I like to focus on the Power of Kindness. Kids are so excited to do something kind for someone else and I like to review how doing something kind makes us happier people. Research has shown an act of kindness and/or gratitude can bring happiness. Studies have shown the more gracious and thankful we are, the happier we are in our daily lives. And everyone deserves to be happy. We talk about Acts of Kindness does not mean spending money or giving away our own stuff. Acts of Kindness can be simply act of opening the door for someone, helping someone plant flowers, or looking around and seeing if anyone needs a friend.

Here are 50 Acts of Kindness examples for families. Do one or two or all fifty.

50 Acts of Kindness for Kids

1. Hold the door open for someone
2. Do a chore for someone without them knowing
3. Leave happy notes around your house or classroom
4. Put a small bin in your car to collect recycling
5. Pick up litter
6. Let someone go ahead of you in line
7. Compliment a friend
8. Write a thank you note to your mail carrier and leave it in your mailbox
9. Plant something
10. Bake a treat for your neighbor
11. Walk dogs at the animal shelter
12. Set up a lemonade stand and donate the profits
13. Send a card to someone in the military
14. Set the table for dinner without being asked
15. Leave bubbles on someone's doorstep
16. Tell someone why they are special to you
17. Talk to someone new at school
18. Write a nice chalk message on the sidewalk for people walking by
19. Weed or shovel for a neighbor
20. Donate food to the food bank
21. Bring flowers to your teacher from your garden
22. Tell a waiter or waitress how good your service was
23. Donate socks or supplies to the homeless shelter
24. Call a friend you have not seen in a while to say hello
25. Take treats to a fire station
26. Read a book to someone
27. Leave heads up pennies on the sidewalk
28. Donate a book to a doctor's office waiting room
29. Tell someone how much you love them
30. Say hello to everyone you see
31. Make someone else's bed
32. Invite someone to play on the playground
33. Tell the principal how great your teacher is
34. Turn off the water while brushing your teeth
35. Say thank you when you see someone in the military
36. Fill a jar with candy for another family
37. Make a thank you sign for sanitation workers
38. Help make dinner without being asked
39. Bring your neighbor's garbage can up for them
40. Clean up your room without being asked
41. Say thank you to the bus driver if you ride the bus
42. Teach someone something new
43. Reuse paper when you are drawing
44. Give someone a hug coupon
45. Write a kind note for someone's lunchbox
46. Write a poem for a friend
47. Make a homemade gift for someone
48. Clean up your toys without being asked
49. Give high fives to a friend
50. Smile at everybody. It's contagious.

May 2021

LAST CHANCE TO PARTICIPATE THIS YEAR!!!

Werner Cares and Shares is a special tradition where we come together to make meaningful contributions to our community and give our children opportunities to experience the satisfaction of helping others.

The project is simple: We encourage you to use any materials you have at home to make a card. Notebook paper, construction paper, markers, tape, glue, scissors, etc. We will also have a stash of extra supplies in a box near Werner's front door that you are welcome to use.

So far this year we have made cards for Firefighters, The Food Bank, Hospital Workers, The Police Department, Nursing Home Residents, the Children's Hospital, and Armed Services Veteran's. Thank you for taking the time to make all of these people feel appreciated and encouraged.

For our final Cares & Shares project of the school year, we will be making cards for the Special People in our Lives. Think about someone you are thankful to have in your life and let them know how much they mean to you!

Some ideas of who you could make a card for:

Neighbor - Babysitter -
Teammate Grandparent -
Aunt - Uncle - Friend
Sibling - Cousin - Coach -
Troop Leader Pastor -
Counselor - Pet - Parent
Caregiver - Yourself!

--If you are interested in helping Cares & Shares to continue next year please contact

Community Service Chair Tracee Carcasson (970)231-5197 or any PTA Board Member for more information--

PSD Update—Fall 2021 Intentions

April 27, 2021

Dear PSD community,

With the end of the 2020-21 school year in sight, we know many of you may be wondering about Poudre School District's plans for the fall. We are looking forward to opening the school year with in-person learning for all K-12 students five days a week and four days a week for preschoolers. We have seen firsthand the benefits of students, teachers and staff being back together in school and still believe that is what's best for kids. Although some aspects of school are different because of health protocols, much has remained the same: the smiles and laughter, the deep connections, conversations and learning, and the staff support of students and families.

Larimer County Department of Health and Environment (LCDHE) Director Tom

Gonzales continues to support in-person learning, saying that students are safest in school where there are consistent health protocols to minimize the spread of COVID-19. This sentiment is bolstered by the increasing numbers of adults and eligible teenagers who are being vaccinated, a step that health officials predict will reduce cases in Larimer County.

This update likely prompts numerous questions, some of which we cannot answer before further planning efforts this spring and summer. The following is what we know now about a few key topics:

First day of school/2021-22 calendar: Aug. 13 is a transition day for sixth- and ninth-grade students, and all students start school on Aug. 16. Current calendars are posted [on the PSD website here](#).

Health protocols: PSD will continue existing health and safety protocols, including required masks, through at least the summer. We anticipate that protocols may change in the coming months, based on COVID-19 conditions in Larimer County. The hope is that protocols become less restrictive in time. It is possible that PSD and LCDHE will continue contact tracing COVID-19 cases during the 2021-22 school year, prompting shifts to remote education.

Meals: May 25 is the last day this school year that meals will be provided. We will share more information soon about meals in the 2021-22 school year. We also encourage families to [apply for free or reduced price meals here](#); being approved means additional benefits for you and your school. [More info on the school meals page >>](#)

Busing: PSD is anticipating an increase in ridership in 2021-22, compared with the current year, with some possible limitations because of a reduction in routes due to the ongoing bus driver shortage. The district will likely require that all riders apply and will share more information when it is available. [More info on the Transportation web page>>](#)

Extracurriculars/activities/athletics: We are eager to make these opportunities available, and you can expect schools to share more details in the future about what will be offered at each site. Providing places for students to connect and engage with one another are critical, and we think they'll have more opportunities to do next year, particularly at recess and through other outside activities.

continued on next page

PSD Update—Fall 2021 Intentions*continued*

Option for 100% virtual learning for 2021-22: Poudre Global Academy Virtual will replace Poudre School District Virtual (PSDV), the district's current 100% online option that ends this school year. PGA Virtual is part of PSD's existing Poudre Global Academy, which has an existing hybrid option and a new 100% online option. [Read more on PGA's website >>](#) Families may apply until the first day of school, during the [School of Choice](#) second-consideration application period. For more information, visit [PGAV's website >>](#)

Registration and options for the 2021-22 school year

If you still need to register for the next school year, here are some helpful links with more information about registration, School of Choice and some secondary options:

- [General school registration info >>](#)
- [Apply to Early Childhood Education >>](#)
- [Kindergarten registration >>](#)
- [Earn college credit, work toward an associate's degree or industry certification in high school >>](#)
- [School of Choice second-consideration period >>](#)

We will continue to communicate with our PSD community in the months to come. Thank you for your continued support.

Sincerely,

Poudre School District

Frequently Asked Questions for April 27, 2021 PSD update regarding fall 2021 intentions for operations

How can you announce this now, knowing so much can change in the next few months? The purpose in communicating our current intention to start the 2021-22 school year in Phase 4 in-person learning is to give parents/guardians, staff, students and our community members the most up-to-date information we have as they plan for fall 2021. Due to the changing nature of the pandemic, we cannot promise anything with 100 percent certainty; however, we feel confident in sharing this intention both because it is how we are operating now and given our community's continued success with adult and eligible teenager vaccinations, among other factors.

continued on next page

PSD Update—Fall 2021 Intentions

Will the current health and safety protocols be in place this summer and fall? Or will PSD return to pre-pandemic “normalcy?” PSD will continue existing health and safety protocols through at least the summer. We anticipate that protocols may change in the coming months, based on COVID-19 conditions in Larimer County. The hope is that protocols become less restrictive in time. It is possible that PSD and the Larimer County Department of Health and Environment (LCDHE) will continue contact tracing COVID-19 cases during the 2021-22 school year, prompting shifts to remote education. PSD will continue to follow current protocols, including the requirement that staff and students wear masks, through the end of this school year and during summer programming. Masks are also required through the end of May, under the [LCDHE’s April 16 order](#).

Will masks be required next school year? We are planning currently that health protocols will be in place this fall for the safety of our students and staff. That said, it is too soon to say if or how our current protocols may change in the coming months, depending on future community health conditions. We will keep our community updated in the months ahead.

Will PSD still conduct contact tracing and work with the health department to quarantine close contacts next school year? We anticipate that protocols may change in the future, based on COVID-19 conditions in Larimer County. The hope is that protocols become less restrictive in time. That said, it is too soon to say if or how our current protocols may change in the coming months, depending on future community health conditions. This includes PSD’s current protocols for responding to COVID-19 cases and contact tracing. PSD staff will evaluate the COVID-19-related prevention and response work done throughout the 2020-21 school year to identify areas of success and possible improvement. As has been done throughout the pandemic, PSD will work closely with its partners at the Larimer County Department of Health and Environment to evaluate and plan for the school year to come.

We know that cases and quarantines have disrupted in-person learning during the 2020-21 school year and appreciate our community’s patience and support as we have worked to reduce the spread of COVID-19. In contrast there are an average of about 97% of our students who have access to in-person learning each day during Phase 4 learning, and we continue to see the benefits of students and staff together.

What are my options if I am not comfortable with sending my student to school for in-person learning this fall? Poudre Global Academy Virtual will replace Poudre School District Virtual (PSDV), the district’s current 100% online option that ends this school year. PGA Virtual is part of PSD’s existing Poudre Global Academy, which has an existing hybrid option and a new 100% online option. [Read more on PGA’s website >>](#) Families may apply until the first day of school, during the [School of Choice](#) second-consideration application period. For more information, visit [PGAV’s website >>](#)

What is the first day of school for the 2021-22 school year? Aug. 13 is a transition day for sixth- and ninth-grade students, and all students start school on Aug. 16. The current calendar is posted on the PSD website [here](#).

Is the calendar for the 2021-22 school year posted? The current calendar is posted on the PSD website [here](#).

continued on next page

PSD Update—Fall 2021 Intentions*continued*

Do students have to return their laptops, tablets and other devices in at the end of the school year? All student devices/technology, including MiFis, will be turned in for inventory and required setup for the next school year. If students no longer require a MiFi to ensure reliable internet for homework, or a shift to remote learning, please return to the IT Support Center.

Will PSD return to full (approximately 13,000) busing for the 2021-22 school year? PSD is anticipating an increase in ridership in 2021-22, compared with the current year, with some possible limitations because of a reduction in routes due to the ongoing bus driver shortage. That said, we do not have a specific number of riders that PSD will bus in 2021-22. The district will likely require that all riders apply and will share more information when it is available. Updates will be posted on the [Transportation web page>>](#)

As of April 16, PSD was no longer accepting requests for busing for the 2020-21 school year to allow the Transportation Department time to plan routes for summer programming and fall 2021.

What is the plan for meals in 2021-22? We will share more information soon about meals in the 2021-22 school year. We also encourage families to [apply for free or reduced-price meals here](#); being approved means additional benefits for you and your school. [More info on the school meals page >>](#)

What has PSD done to support the social and emotional needs of students – both during remote education and now that students are in Phase 4? PSD's mental health professionals, counselors and other special service providers, or SSPs, (think psychologists, etc.) have worked together to tailor the support for students and their families throughout COVID-19. Prior to the pandemic, for example, they might have checked in with a student by tapping them on the shoulder while passing through the lunchroom and asking how they're doing. During remote learning, they connected via video calls, instant messaging, texts and phone calls – whatever worked best for the student and, in some cases their parents/guardians, depending on their unique needs and schedules at the time. This has, in many ways, reduced barriers for people to access these critical resources. Counselors and mental health professionals produced videos that helped students with different skills or featured lessons based on what they were hearing their students needed most at the time; they sent postcards to students at home; and so much more. With school back in session, they have been able to combine both the virtual and in-person mental and social emotional health supports. In Phase 4, the focus has and will continue to be on what each child needs, one by one, and helping students, staff and families to regain a healthy body-and-mind balance that was thrown off for so many in the pandemic. It is very much a return to counseling and mental health 101, focusing on each person's most immediate needs so they can rebalance and be able to best access and engage at school.

Although it has been challenging, we are seeing people rise to the occasion, finding new ways to connect, process and support one another. We have witnessed tremendous resilience and positives come out of all this, as well. PSD remains committed to providing this critical support in the 2021-22 school year and beyond. [Check out mental health resources here >>](#)

Will there be activities, extracurricular activities and athletics in the 2021-22 school year? Yes. We are eager to make these opportunities available, and you can expect schools to share more details in the future about what will be offered at each site. Providing places for students to connect and engage with one another are critical, and we think they'll have more opportunities to do next year, particularly at recess and through other outside activities.

continued on next page

PSD Update—Fall 2021 Intentions*continued*

What is PSD doing to support students who are behind? There are myriad ways that teachers and staff support students and address their individual learning needs every day in PSD. In particular, PSD has enhanced its typical summer programming to serve more students and in additional ways. In addition to historic programs like Camp SOL, PSD will offer multiple new programs like the invitation-only Connect and Engage. This is for elementary and middle schoolers to engage in one-to-one or small-group tutoring sessions for literacy and math skills they'll need as they progress through school. There are also things like the Summer of Discovery with Boys & Girls Club. During this full-day, full-summer experience, students will explore different industries each week through experiential learning, including an interdisciplinary approach to literacy and math. In another opportunity, PSD students will be partnered with community mentors to support their completion of Summer School classes.

Registration for Poudre School District Summer School is open to all high school students currently enrolled in a PSD school. Summer school classes are free this year. [Read more >>](#)

For more information, visit the [Summer 2021 Learning Opportunities web page. >>](#)

Add questions we receive following the announcement below

Join the Poudre Libraries' 2021 Summer Reading Challenge: Tails and Tales

Hey parents! Summer fun comes roaring back this year with the **2021 Summer Reading Challenge** at Poudre River Public Libraries! We combine the love of animals and stories to bring you Tails and Tales.

The Summer Reading Challenge is **free** and open to **all ages**, from little ducklings to mighty elephants.

Studies show that children who read or are read to during the summer more effectively retain the learning progress they worked so hard to achieve during the school year.

What's the buzz around this summer's challenge?

- **Online registration** (and reading) starts on June 1. Visit PoudreLibraries.org/SRC to create your online account. Free gift to the first 5,000 to register and then visit one of the libraries (while supplies last).
- **Earn a prize** for reaching the 10-Hour Reading Milestone. Children, tweens, and teens get a free book. Adults receive a coupon for \$2.00 off any purchase at a Poudre River Friends of the Library sale. Available June 14 - August 15. Prizes aside, modeling reading is one of the best ways to encourage your children to read. Everyone reads, everyone wins!
- New **Bingo game format** in your online Summer Reading account offers great activities to keep you challenged and motivated all summer. The more bingos you complete (5-across in any direction), the more times you're entered into the Grand Prize Drawings at the end of the summer. There are different prizes available for each age group including:

- 1 Family Membership at The Gardens on Spring Creek (Kids)
- 1 Barnyard Buddy Pass/Family Pass to Lee Martinez Farm (Kids)
- Old Firehouse Books gift cards (Teens, Adults)
- Craft kits (Various ages)
- Gift baskets (Various ages)

- **In-person outdoor programs and virtual programs return** with storytimes, the Monday Morning outdoor series performances, book talks, and more. Details and registration available at PoudreLibraries.org/events.

Please Note: Harmony Library is closed from May 11 through mid-July. The other libraries are open and available for prize pickup. Some in-person outdoor programs will happen at Harmony Library while the library is being renovated.

Hope to see you this summer at the Library!

Únase al Programa de Lectura de Verano 2021: Colitas y Cuentos

¡Hola padres de familia!

Este año, la diversión de verano regresa rugiendo con el Programa de Lectura de Verano 2021 en las Bibliotecas Públicas de Poudre River. En Colitas y Cuentos, ¡combinamos el amor por los animales y las historias!

El Programa de Lectura de Verano es gratuito y está abierto a personas de todas las edades, desde renacuajos hasta enormes elefantes.

Estudios científicos muestran que los niños que leen o a quienes les leen durante el verano, retienen de manera más efectiva el aprendizaje por el

que tanto trabajaron durante el año escolar.

¿Por qué tanto alboroto con el Programa de Lectura de Verano de este año?

- **Las Inscripciones en línea** (y la lectura) inician el 1° de junio. Visite PoudreLibraries.org/SRC para crear su cuenta en línea. Habrá un pequeño regalo disponible en las bibliotecas, para las primeras 5,000 personas que se registren (hasta agotar existencias).
- **Gana un premio** al llegar al marcador de lectura de 10 horas. Los niños, preadolescentes y adolescentes recibirán un libro como premio. Los adultos recibirán un cupón de \$2.00 de descuento en cualquier compra en la venta de los *Amigos de la Biblioteca (Poudre River Friends of the Library)*. *Premios disponibles del 14 de junio al 15 de agosto. Además de los premios, dar el ejemplo leyendo, es una de las mejores formas de animar a sus hijos a leer. ¡Todos leen, todos ganan!*
- El **nuevo formato del Bingo** en su Cuenta de Lectura de Verano en línea, ofrece excelentes actividades para mantenerlo entretenido y motivado durante todo el verano. Cuantos más bingos complete (5 en cualquier dirección), más veces participará en los sorteos del Gran Premio al final del verano. Hay diferentes premios disponibles para cada grupo de edad, que incluyen:
 - 1 Membresía familiar al jardín *The Gardens on Spring Creek* (niños)
 - 1 Pase a la granja Lee Martínez: Pase Barnyard Buddy/Pase familiar (niños)
 - Certificados de regalo para la librería Old Firehouse Books (adolescentes, adultos)
 - Kits de manualidades (varias edades)
 - Cestas de regalo (varias edades)

continued on next page

• **Los programas al aire libre en persona y los programas virtuales**, tendrán hora del cuento, presentaciones al aire libre de la serie *Monday Morning*, talleres virtuales en español de cartonería y plastilina, paseos literarios auto-guiados, charlas de libros y más. Detalles e inscripciones disponibles en PoudreLibraries.org/events.

Nota: La biblioteca Harmony estará cerrada del 11 de mayo hasta mediados de julio. Las otras bibliotecas estarán abiertas y disponibles para recoger premios. Algunos programas al aire libre en persona se llevarán a cabo en la biblioteca Harmony, aun cuando esté en construcción.

¡Esperamos verlos este verano en la biblioteca!
