

**7th Annual S.S. RESCUE
(School Supply Rescue)**

**Planning on buying new school supplies for next year?
Don't need this year's used ones anymore?
We want them!**

We are collecting used school supplies. We will take your clogged-up glue bottles, incomplete sets of markers, outgrown scissors and even broken crayons and more. Over the summer we will clean the glue bottles, sharpen the pencils, test the markers and shine the scissors to create new school supply sets for Fort Collins kids in need.

Simply clean out your desk when your teacher says it is time and place your donated items in the box in your class. We will pick them up from your classroom on the last day of school.

Thank you! - The Carcasson Family
